Protect Your Family

SANITON®

FEATURES

2022

■ Anti-Bacterial Glaze

Our family care products are coated with an anti-bacterial glaze to prevent bacterial growth and reduce antimicrobial activity.

Tested to JIS Z 2801/ISO 22196 standards, > 99% of bacteria are killed upon contact.

PROTECT YOUR FAMILY WITH US

■ Touchless Flush

A high performance germ-free, touch-free water closet now allows you to flush with just a wave of your hand.

■ Rimless Design

Our Rimless design ensures easy cleaning, improving hygiene and saving time.

■ Whirlpool Flush

The new Whirlpool Flush cleans the entire bowl in one flush, preventing bacteria and germs from accumulating.

■ Anti-Bacterial Seat and Cover

Our seat and covers are coated with anti-bacterial protection too. Be assured of greater peace of mind when using our products.
