

Flavia ST2255

HPKV Waterless Urinal

Features:

Operates entirely without water, conserving precious water resources.
Paired with the industry leading High Performance Key-Valve (HPKV) urinal cartridge from Falcon Water Technologies.
Provides increased hygiene and reduces bacteria for a cleaner environment.
Completely odour-free when used correctly.
No flushing required, providing a touch-free user experience.
Easy to maintain with no flushing mechanism or devices to service.
Elegantly designed urinals for all restrooms, promising long lasting functionality and perpetual savings for customers.
